say hello to...

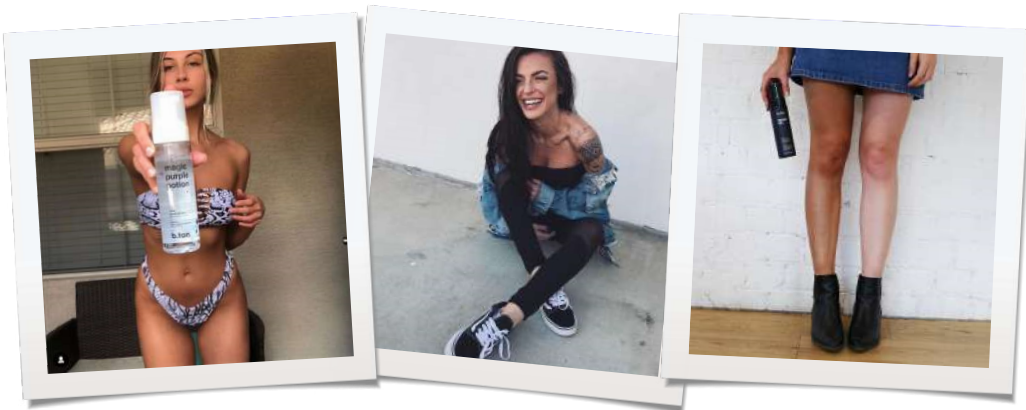

b.tan[®]

b.tan is for the everyday human,
who simply wants a tan.

we're a little bit fun, a little bit quirky, and a whole lot of tanned babe in beach adventure.

our products are made without the gimmicks. no added nasties. no false claims. no over marketed ingredients and definitely no seen on every brand's supermodel... they are simply dark tanning products driven by awesome results.

www.btan.rocks dreamed up in Australia.
