# A PICTURE PERFECT FINISH

MINETAN. YOUR TAN. A TAN FOR EVERYONE.

Tanning begins with you. We believe your tan should be just as unique as you are. We understand that tanning is so much more than light, medium and dark. With MineTan you can customize your bronze glow based on your skin type, tone and desired skin finish. From a golden sun kissed glow to a deep, rich warm dark tan to the deepest, darkest of all ultra dark tans, you are in control. So you can have a tan that's all "mine".

Our unique tanning philosophy was born from our rich Australian salon heritage. All our tans are developed with skin-true shades that always look natural and deliver a tan that's unique to you. We are constantly challenging the industry with innovations that move with and ahead of the trends.

*Live the tan lifestyle and create your own picture perfect finish with MineTan.*

# THE FOUNDATION TO MINETAN PRODUCTS

# WHAT MAKES A PERFECT TAN?

Our entire range has been designed to give you a picture perfect finish through a combination of innovation, clean skin-loving ingredients and advanced tanning technology. Every product features our true-skin shade technology with a unique set of bronzers and tanning actives that adapts to your unique skin tone to deliver a natural-looking tan that's unique to you.

Formulated with a clean blend of antioxidant-rich botanicals, hydrating natural oils, 100% natural tanning actives and other skin loving ingredients, to give you not just a tan but a unique skin therapy experience. All to give you a tan that goes on smoother, goes deeper, looks more natural and lasts longer than ever before.

## ALWAYS INNOVATING

- We are the world's first 1 Hour Tan brand
- Exclusive Fast Acting Formula for faster, deeper, darker results
- No fake tan smell, thanks to our proprietary odour inhibitor
- 100% natural DHA, vegan friendly and paraben free
- We developed the world's first coconut water based tan

## YOUR PERFECT COLOR MATCH

Much like hair color and cosmetics, color base tans contain a unique set of bronzers to generate different tones of brown and true-skin shades. So you can customize your bronze glow based on your skin type, tone and desired skin finish. All our color base tans suit all skin types and will always look natural to your skin tone. You can select your color base tan based on your unique skin type or choose one to best suit an upcoming event or occasion. No matter which color base you choose, you're always going to get beautiful, flawless, natural looking tan.

# MINETAN® EXTRACTION + SPRAY TAN MACHINE

## ALL.IN.ONE BOOTH

THE  
ULTIMATE  
SALON  
STARTER  
KIT

### THE ALL IN ONE SPRAY TANNING

Born from a rich salon heritage, MineTan is a leader in professional spray tan equipment for salons and mobile tanners. As a perfect match for our MineTan Spray Tan Solutions we created a new generation of spray tan machines designed to achieve a flawless finish like no other, with super fine, touch-dry results. The All.In.One Booth is a spray tan machine and clean air overspray extraction in one professional enclosure. Using innovative Micro-Whirlwind Technology it's the perfect investment for any salon to create a dedicated spray tan area with the latest spray tan technology.

### A SUPERIOR SPRAY TAN EXPERIENCE

The very best in extraction technology, gives your clients a more professional and pleasant spray tan experience. Have a professional dedicated spray tan area in your salon that enables you to deliver the best spray tan results with natural light replication, powerful extraction and an ergonomic design so you can create the ultimate spray tan experience for your customers.

### NO OVERSPRAY

The All in One Tan.Booth has 4 fans from top to bottom. 4 fans ensures overspray is extracted evenly. The aerodynamic curved chamber funnels extraction, generating airflow into a cyclone. Industry strength extraction via the top and bottom fans extracts overspray and generates clean air.

### EXCESS 3 APPLICATOR

Excess 3 Applicator Gun features a stainless steel trigger, pin and variable dial to allow you to adjust the spray volumes and is ideal for faster application techniques. Ultra fine spray mist for accurate and even streak-free spray tanning that is free of blotches or splatters

### QUICK CHANGE FILTERS

Cleaning the extraction fan filters is as easy as it gets. Easily slip the filter out from the secure lip and then slip in your new filter. No cumbersome covers or screws. In less than 2 minutes you can replace your filters and get spray tanning again.

### KIT INCLUSIONS

- Extraction Booth
- Tan.Lite 32000 Spray Tan Machine
- 6 x Mix 'n' Match Pro Spray Mists
